**MINUTES OF MEETING OF THE
ARIZONA GEOGRAPHIC INFORMATION COUNCIL
DATA COMMITTEE – UAS WORK GROUP**

III. Monthly Topics of Discussion:

- I. Announcements/Upcoming Events
 - i. Dates set for AGIC Education and Training Symposium (Oct 25-29) – with virtual watch parties
 - ii. ASU Drone Studio Tour – July 16, 2021 at 1:30
 - iii. [FAA UAS Symposium](#) – Episode IV Sept 14 & 15 – virtual and free to attend
 - iv. [InterDrone](#) – Dallas – Aug 10-12 - CANCELLED
 - v. [AUVSI Xpotential](#) – Atlanta – Aug 16-19

- II. Work Group Update
 - i. Content and Design – Content from the group’s repository was shared with Kasey and Toni. They will be working on getting that added to the website.

- III. FAA Updates – none

- IV. Projects – With ongoing wildfires across the state, projects have seen a delay for the time being.

- V. Risk considerations – Vital resource to check during wildfires. As well as during rainfalls during monsoon season.

- VI. Lessons Learned – Robert shared that 103 years ago, the U.S. Navy launched a drone, hit its target, and successfully came back to land. Lorie shared the police report from February about a rogue 10,000ft MSL drone that maintained a speed of 100MPH with no slowing down.

- IV. **Virtual Fly-In Update:** Larry Fox from Bad Elf updated this team with event details from the planning group’s last working meeting. The Fly-In will be held at Westland Resources’ facility in Tucson on September 15th. There will be in person demonstrations, followed by a hybrid/virtual panel discussion.

- V. **AGIC Conference UAS Track Planning:** The group agreed to having a panel similar to the previous year’s track, with folks such as FAA representative, someone from private companies and small businesses, as well as members of various agencies. Brainstormed topics of discussion included a recap of the Fly-In event, a year in review, changes in the FAA rules and regulations. Possibly even going over all the data collection available on AZGeo that can be used across disciplines rather than multiple flights of the same areas.

- VI. **Information or Topics for Future Meetings:** Outreach work group meeting for discussing the timing for panelists.

- VII. **Call to the Public:** None.
