

ARIZONA GEOGRAPHIC INFORMATION COUNCIL

OUTREACH COMMITTEE QUARTERLY NEWSLETTER | OCT - DEC 2021

The AGIC Council, Committees, and Workgroups continue to work hard to bring the Arizona GIS Community a forum for geospatial information exchange. All AGIC meetings and events are open to everyone, so please join us. We value community engagement and believe we are stronger and better together!

Visit the [AGIC website](#) for more information on how to get involved.

AGIC EDUCATION AND TRAINING SYMPOSIUM

-  Registration is now open for the **2021 Virtual AGIC Education and Training Symposium**, which will be held October 25 - 29, 2021. Registration is \$40 for attendees and \$20 for students. More details about how to register are available on the [AGIC Symposium website](#).
-  The Symposium Maps & Apps Challenge is now open. Share your work with the Arizona GIS community! More details about the contest are available on the [Maps & Apps page](#). Submissions to the contest will be accepted until October 20.
-  AGIC Outreach is coordinating in-person regional networking events and want your feedback. Please complete this [short survey](#) to help us plan. Check the AGIC social media sites often for symposium updates and locations of networking events closest to you. Links to the social media sites are available at the bottom of the next page.

OTHER ANNOUNCEMENTS

-  Do you have years of GIS experience? Are you looking for guidance in the GIS industry? Do you want to give back to the GIS community? If you said YES to any of these questions then you are in luck! The AGIC Outreach committee has been hard at work developing a statewide Mentoring Program. The program will kick off at this year's AGIC symposium. If you have any questions please reach out to the AGIC Mentoring group at agicmentoring@azland.gov.
-  AGIC has a new [GIS Job Board](#)! The board is intended to help GIS job seekers and employers by focusing specifically on GIS or related jobs. Employers can quickly post their job opportunities to the site and job seekers can easily view the opportunities on an interactive map. Check the board often for new opportunities.
-  Please join us at the next AGIC Council meeting, scheduled for November 4, 2021. This meeting is free and open to the public. Details are available on the [AGIC calendar](#).

AGIC NEWS & PUBLICATIONS

[Esri Special Achievement in GIS Awards Announced](#)

Please join us in congratulating all of this year's Arizona winners for the Esri SAG award. There were five awards received by Arizona groups this year! This sweep shows the incredible impact Arizona has had in the national geospatial industry. The Arizona GIS community is making a difference beyond our boundaries! The five winners include:

- ◆ AGIC and the Arizona State Land Department for the development of the AZGeo Hub
- ◆ City of Tucson for the development of the Poverty and Urban Stress Hub
- ◆ Green Valley Water for improvements to their workflow and record keeping process
- ◆ Maricopa County for establishing and expanding their Enterprise GIS Program.
- ◆ Yavapai County Flood Control District Stormwater for improvements made to their field inspection process

Please click on the article header to see more details about each winner.

GIS NEWS

[FCC publishes more-accurate nationwide LTE coverage map](#)

The Federal Communications Commission published its first ever national coverage map of 4G LTE wireless networks, which the agency's interim chairwoman, Jessica Rosenworcel, called a preview of its future mapping efforts.
