also wanted to remind everyone about the AGIC Council meeting tomorrow (May 5<sup>th</sup>). Kasey talked about a UAS/Drones advanced day and night operations training course in Scottsdale that takes place from May 9-13, 2022.

- IV. **AGIC Spring Symposium:** Jenna displayed and went over the agenda for the AGIC Spring Symposium on May 24-25, 2022, at Yavapai College, Prescott, AZ.
- V. **Approval of the UAS WG Work Plan:** Jenna displayed and went over the UAS Workgroup 2022-23 Work Plan. Kasey asked for a motion to approve the work plan. Chuck motioned to approve the work plan. Virgil Coxon seconded the motion. The motion passed unanimously without discussion.
- VI. **Outreach:** Due to the relatively small size of the group, Kasey & Chuck decided to just stay in one group and not use breakout rooms for the outreach and AZGeo landing page discussions. Justin Eddinger gave a presentation about Green Drone AZ. It was launched in 2020 as an educational outreach program with the goal of increasing the diversity and interest in STEM education. The presentation included the program objectives, target audience, implementation strategy, and a curriculum overview among other things. Justin then mentioned that they could use help with networking, curriculum development, funding, website, and other areas. Jenna then mentioned that there are a lot of opportunities to volunteer and help with outreach. Justin went through the Green Drone AZ website and presented a schedule for the Fall and Spring programs. There was a discussion about working with teachers to implement these programs. Jacob Draper shared a list of all the schools that they work with.
- VII. **AZGeo Landing Page:** Kasey talked about developing content on the AZGeo landing page to highlight projects and promote data sharing. Chuck mentioned the benefits of shared projects and collaboration related to drone flights.
- VIII. **Adjourn:** Meeting adjourned at **10:59 am**.
