

NATURAL RESOURCES WORK GROUP 2020 WORK PLAN

Mission (from statutes):

- Facilitate geospatial data sharing and tools to support natural resource work across Arizona.
- Provide a forum for geospatial informational exchange that will enhance and support government, tribal, private, and non-profit natural resource efforts through coordination and identification of cost sharing opportunities, resulting in more work done on the ground.

2020 Meeting Dates: Alternating Tuesday/Thursday in the second week of every other month from 10:00 AM – 11:30 AM

February 13	April 14	June 11
August 11	October 8	December 8

Data Committee Participants:

Chairs: Glen Buettner, Jeremy Johnson

Voting Members: Robert Davis, Sharisse Flatt, Ben Hickson, Keith Larson Jenna Leveille, Elisabeth VanDerLeeuw

Public at Large (identified as attending at least one of the previous three meeting at time of development/review): Gerardo Armendariz, Cheryl Begay-Mizell, Crystal Carrancho, Jay Corum, Susan Craig, Drew Decker, Kim Denney, Jim Downey, Kasey Green, Wolfgang Grunberg, Michael Hilstrom, Kara Jensen, Richard Lawrence, Shea Lemar, Cody Maynard, Doug McCarty, Alene McCracken, Julie Mikolajczk, Tanya Owens, Chris Query, Annia Quiroz, Jill Rundall, Jackie Thomas

GOALS AND ACTIVITIES

Facilitate geospatial data coordination, sharing and tools to support natural resource work across Arizona.

- Identify common data and develop cooperative strategies to minimize duplicate maintenance efforts and encourage data sharing
 - Promote the utilization of AZGeo, the state geospatial clearinghouse, for data sharing and project collaboration
 - Develop a Natural Resource AZGeo Group
 - Identify priority project areas, projects, and partnerships for cost sharing opportunities
 - NHD & Development of a framework for stewardship
 - Inventory of stakeholders
 - Develop definition for classification

- Develop organizational strategies for data sharing
- Coordinate activities with appropriate AGIC committees as needed
- Create and sponsor work groups as needed

Provide a forum to discuss natural resource geospatial data business requirements and opportunities to collaborate

- Develop a Natural Resource track at the 2020 AGIC Education & Training Symposium
- Plan and coordinate 2 or more workshop/luncheon opportunities in 2020 to facilitate informational exchange focused on Natural Resource activities and projects
 - NHD Working meeting (Feb/March)
 - Networking/Project Presentation Discussion Workshop (June)
- Develop a natural resources GIS directory identifying people and partnerships conducting natural resource work within Arizona
 - Collaborate with X Watershed Network and interested stakeholders on the Collaborative Conservation Mapping Project, identifying natural resource program activities in Arizona
- Coordinate activities with appropriate AGIC committees as needed
- Create and sponsor work groups as needed
